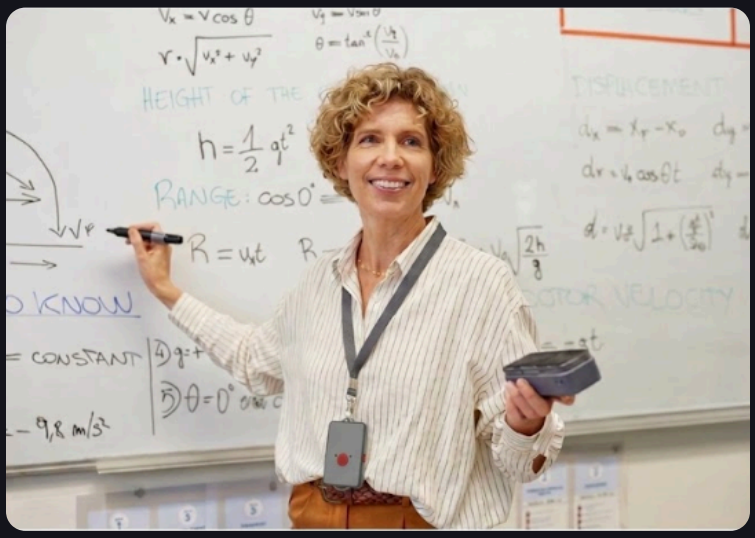
HIGHER EDUCATION

ONE CAMPUS. EVERY BUILDING COVERED.

XGen Connected Response gives faculty, staff, and campus security a silent way to call for help from any lecture hall, lab, residence hall, or open space, triggers a coordinated response across a building or the whole campus, and connects straight to 911 with the verified location.

- Buildings, dorms, and grounds
- Verified location to 911
- Scalable and grant-friendly
- Campus-wide coverage



Silent alerts from any building, dorm, or open space.

Faculty, staff, and security trigger a coordinated building or campus-wide response.

Every building

A call for help within reach across the whole campus

911

Direct routing with your building's verified location

Scalable

Start with one building and grow campus-wide

Feature availability varies by configuration.

WHY IT WORKS

Coverage from one building to the whole campus

● **Silent From Anywhere**
Call for help from any lecture hall, lab, residence hall, or open space.

▲ **Multi-Press SOS**
A deliberate multi-press activation helps prevent false alarms.

◎ **Building or Campus-Wide**
Trigger a coordinated response across one building or the whole campus.

■ **Verified Location to 911**
Connects to 911 with the verified building location.

◆ **Find the Exact Room**
In-building location guides responders to the exact room.

✓ **Scalable and Grant-Friendly**
Start with one building and grow, with a grant-friendly path.

The wearable and wall-mounted panic button

A discreet, deliberate multi-press activation silently triggers a coordinated response and sends verified, location-aware alerts to staff and 911 in real time. No audible alarm, no escalation.

Detect. Alert. Respond.
